The meeting was called order by Chairman Kathy Sutton at 1:05 PM and the minutes were approved as written.

Paul Berg reported on committee needs for Arts In The Park. Food vendors are on board but there is a need for more artist registrations. Calls have been placed to past participants. Booths are \$65.00 for students, free to instructors and \$95.00 to all others.

Upcoming shows include C.S. Lewis this weekend, Children's Theatre series, March 10th, Amandala Tunesmith, March 22 and the Peter Stilton reception in April. Day care centers will be contacted for the children's theatre series.

Adrienne indicated that summer camp ads are appearing earlier than ever and Helen is working on the theme but ads will begin appearing shortly for the CCC camps.

Paul addressed the need for a new marquee at the entry driveway. The existing sign could be taken down restructured and remounted but the same problems would remain...poor initial construction and materials. Todd has been pricing replacements.

Richard indicated his programming remarks had already been covered in prior discussions.

Volunteers update has been tabled until the March committee meeting.

The meeting was adjourned at 4:35PM
