The meeting was called order by Chairman Kathy Sutton at 3:10 PM and the minutes were approved as written.

Paul Berg reviewed Arts In The Park. Best yet with happy vendors and the egg drawing was especially popular. We ran out of class catalogs. Paul and Todd will reach out to the manager prior to the next meeting.

Richard reported for MAS community theatre indicating that Cloak & Dagger will be the Spring 2014 production. Play selection meets on Wednesday, April 3rd at 5:45 PM to establish a MAS schedule and select a musical for the summer of 2014.

Paul reviewed the upcoming April shows, and also indicated Summer Camp registrations have begun with an April 12th deadline for a 5% discount. All specs for a new marquee have been sent to the County...we are awaiting their reply.

Richard reviewed programming indicating that Broadway by the Number could possibly be going nation-wide and future shows would include Emile Pandolfi, a classical pianist with humor, Etta May doing White Trash Diary a PG Max one woman show and Melanie of Woodstock fame. The second Sunday in June will see the return of If Music Be The Food including local chamber groups.

Ruth Levy reported for volunteers stating she had 46 “active volunteers” using the slogan “Communicate & Appreciate”. She is also looking for student volunteers for summer camps using 2 per instructor as needed. A new training class will be held at 2PM on April 12th. Tomorrow evening a
