Delivery of Artwork Monday, March 2, 2020 2:00 to 6:00 pm

Reception Friday, March 20, 2020 5:30 pm – 7:30 pm

Pick Up Monday, March 30, 2020 10:00 am – 1:00 pm. Work not picked up by 6:00 pm will be placed in the lobby.

- ELIGIBILITY:** The Floating Vessels exhibit is an art exhibition focusing on vessels floating in water. The vessels can be motor boats, sail boats, jet ski's, yachts, cruise ships, barges, etc. located in any body of water. The exhibit will be shown in conjunction with our theatrical performance, Titanic, The Musical. **Please note this is a family facility so no blatant violence, guns or nudity. Your art work must be original.** We accept 2D and limited 3D creations including watercolor, acrylic, oil, assemblage, encaustic, mixed media, sculpture, photography, etc. Open to all living artists within the State of Florida who are 15 years old and older.
- SIZE REQUIREMENTS:** Large works, up to 50 inches in any direction are ideal and work may not be smaller than 8 in x 10 in. We have limited pedestals for 3 dimensional works. Very heavy pieces may require special handling. See attached framing guidelines. If you have specific questions or need to display unusual pieces, please email questions to curator@carrollwoodcenter.org.
- Pricing:** Total of 5 pieces per artist may be submitted:
 - 1 piece is \$20.00
 - 2 entries are \$35.00
 - 3 entries are \$45.00
 - 4 entries are \$54.00
 - 5 entries are \$60.00. Make checks payable to Carrollwood Cultural Center. Every show is judged for 1st, 2nd, 3rd and 3 Honorable Mentions prizes are awarded. There are a limited number of entries, so please send in your application early!
- Every piece of art work entered in the show is **required to have the artist's name, title, medium and contact information**, affixed to the back or bottom. Please attend to this **BEFORE** you deliver your work. If art work is delivered without proper name/title, etc. *the art work will not be hung until it is labeled.* It is important that this is taken care of, as once the pieces are hung it's the only way to know for sure which piece is which, know what the label is and prepare the judges sheet. Otherwise there will be no information on the label and the artist will not be contacted for a sale, if they won an award, etc.
- Carrollwood Cultural Center is not liable for artwork submitted for exhibition. All artists will be required to sign an indemnity form before the work is hung. The Indemnity form is attached to this document and may be filled in and mailed with your entry, scanned and e-mailed, or brought with you when you deliver your work. Extra copies will be available on delivery.
- Art work not picked up on the final date will be auctioned off or donated to charity. We cannot store artwork safely. Please make arrangements to have your work picked up if you can't do it yourself. **Please do not drop off or pick up your work early.**
- Art work is hung until the end of the show, unless arrangements are made with the Curator for replacement. **Do not remove any artwork before the date and time for pickup.** Call the Art Curator if you need assistance with this.
- Sales of any artwork are handled directly between the artist and buyer. The artist is required to pay 20% of the purchase price to Carrollwood Cultural Center when a sale is made. You may submit work that is NFS (not for sale) or POR (price on request), just note this on your application where you would put the price.
- We are a family friendly public venue in partnership with the Hillsborough County and have to follow specific guidelines; no nudes, controversial work that could be considered offensive, political or represent overt violence. Our venue is filled with children all the time!
- Send your application and indemnity agreement by mail and/or e-mail to **Michele Stone, Carrollwood Cultural Center, 4537 Lowell Road, Tampa, Florida 33618**, or by e-mail to curator@carrollwoodcenter.org. Remember to get your entries in early!
- Please read the "Hanging Requirements" very carefully. You **MUST** provide hanging hardware on the back of your frame. **Do not put your work in plastic frames, easel back frames, or frames that are not meant to be hung...we will reject artwork because of this!**

1. Your work will hang from stainless steel cables fitted with a sliding hook that attaches to your artwork's wire.
2. **THIS IS REALLY IMPORTANT! Please be sure to read these instructions and attend to these details work before you arrive at Carrollwood Cultural Center on delivery day.** We are **unable** to use saw tooth hangers, easel back frames, plastic sleeve frames or frames that are not fitted with hardware for a hanging wire. If there are any questions please ask a framer or store that sells frames. Artwork **MUST** have a wire on the back of the entries and this wire **MUST** be attached to the frame about 3 inches below the top of the frame, otherwise the stainless hook will show. (See the photos below.) Frames from craft stores are fine, but must be fitted with screw eyes attached to the wire and measure down from the top of the frame about 3 inches. We will **REJECT** work if we are unable to hang it! Gallery Personnel will be checking the artwork on delivery day for the wire and if it is not there you will be asked to get one and mount it properly. If you are unable to get your work back to us on the delivery day, the artwork will not be in the show and the fees will be forfeited!
3. PLEASE check your mattes and glazing and ensure that they are clean. Our lighting system shows up dirty fingerprints, scratches on plastic and grime on mattes that may normally be overlooked! Check frames for dings, scratches and nicks and cover them appropriately. Judges look at this and often will throw out work that is dirty or badly framed.
4. Gallery wrapped canvases must be finished on the sides with paint or tape. You must hide side stapled canvases with tape.
5. **YOU MUST** attach a card to the back of your work that states your NAME and the TITLE of your painting. Preferably on the lower left or right side of your work. We will be checking for this and if you do not have it on delivery day you will be asked to make one before you can enter your work. Please write or type this on white paper so we can read it. Thanks in advance...

(LEFT ABOVE) This Frame is not going to work! The wire is so close to the top of the frame the hook will show above the top of the frame. Also, those flimsy triangle fasteners often pull out and your artwork ends up on the floor which makes our Curator very unhappy. **(RIGHT ABOVE)** This is a perfect frame for hanging in our Galleries. Note that the wire is situated in such a way that the hook is below the top edge of the frame. The back is neat and the hardware is appropriate for use with wires.
